Pismo State Beach offers all kinds of attractions: hiking, swimming, surf fishing, and digging for the famous Pismo clam. The park has the largest over-wintering colony of monarch butterflies in the U.S. Pismo is also the only beach in California where the sand is firm enough to support travel by standard highway automobiles, and where this activity is permitted.

PARK FEES are due and payable upon entry into the park. The campsite fee covers one vehicle and its towed trailer. There are additional fees for extra vehicles. Payment for campsite is due within 15 minutes of occupancy.

OCCUPANCY: Each campsite may have up to eight persons (including children).
